Come and join us for our annual St Patrick's Day celebration and shindig with John Ward and friends playing some of the best and favourite Irish songs. There's an Irish influence in the menu, very lively music with a fabulous, furious fiddle player, song sheets and the chance to get up and dance! This is such a good night out, why not turn it into a little bit more and stay the night in one of our lovely rooms? We invite you to stay in one of our classic or deluxe rooms with our St Patrick's DB&B package for just £140 or upgrade yourself for a small premium. Talk to the team and get booked in!
